Dear [School Contact Person],

We are delighted to extend our collaboration with [School Name] for the integration of the Knowledge Basket coding program into the curriculum for Class [X] to Class [Y].

Currently, [School Name] boasts a student strength of [Number] for Class [X], [Number] for Class 7, [Number] for Class 8, and [Number] for Class 9.

Having carefully read and understood our brochures, outlining the various models and terms of our collaboration, we appreciate the school's comprehensive understanding of the offered models - Basic, Enhanced, and Premium.

This agreement is valid for [2/3/4] years, during which both parties commit to maintaining the partnership. Neither party can terminate the agreement prematurely.

The school has opted for the [Basic/Enhanced/Premium] model, and we will be charging [Amount] per student. This amount is payable by the school in three installments:

- 1.20% upon Agreement: We kindly request an initial installment of 20% of the selling price upon agreement.
- 2.40% on Kit Delivery: After receiving the initial installment, we will dispatch the teacher's coding kit and commence teacher training. The school is required to remit 40% of the selling price on the day of delivery of our kit for students, scheduled at the school's discretion but no later than 1st July.
- 3.40% After 3 Months: The remaining 40% will be collected three months into the course.

Upon receiving the second installment, coding kits will be provided to students, and access will be granted to our platform.

Please note that the charges mentioned above are core fees. The school reserves the right to impose additional charges based on the quality of provided teachers and infrastructure for students.

We are enthusiastic about this collaboration and look forward to a successful partnership that enhances the educational experience for [School Name] students.

Thank you for choosing Knowledge Basket.

Sincerely,
